

REMARKS

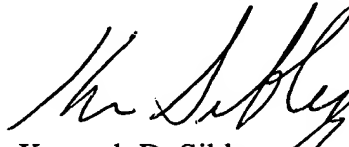

This is in response to the Official Action of July 6, 2005.

The allowance of claims 36 and 37 is acknowledged with appreciation. A minor amendment has been made to claim 37 to render it consistent in style with claim 36. No new issues are raised and entry thereof is respectfully requested.

Various rejections to the other claims previously of record have been made under 35 USC §§102 and 112. To simplify the issues, claims 5-7 and 33 have been made dependent upon claim 37. These claims are submitted to be allowable for the same reasons as claim 37. The remaining claims have been cancelled to moot the rejections of record and permit the allowed, or allowable, claims to pass to issuance. Hence it is respectfully submitted that the rejections of record should now be withdrawn.

It is respectfully submitted that this application is in condition for allowance, which action is respectfully requested.

Respectfully Submitted,
